PURPOSE

The Canadian Denturist Multijurisdictional Examination Appeals Committee (committee) deliberates on applications for appeal of examination results from candidates of the Canadian Denturist Multijurisdictional Examination.

SCOPE/RESPONSIBILITIES

To make the determination if an appeal is granted or denied on an application submitted by an examination candidate.

AUTHORITY

Decisions of the appeal body are binding and final.

MEMBERSHIP

Each Canadian province and territory may provide one or two members to the resource group. For each appeal, three members from the resource list will be chosen and conflicts of interest determined. Not more than one individual from the province from which the candidate hails shall not be part of the committee.

MEETINGS

Meetings are called as required.

Present at the meetings are the appeal committee, a psychometrician, and regulator (if required).

REPORTING RELATIONSHIP

Information gathered from the appeals committee is shared with the provincial/territorial regulators and the examination psychometricians.
